PROVIDING YOUR BUSINESS with flexible, convenient and affordable HR solutions.

Peak Performance HR appreciates when our clients, partners, and associates refer new opportunities to us. As we all know, one of the most effective way to grow a business is through the efforts of satisfied clients introducing services to other successful business owners.

To show our appreciation to our friends and partners dedicated to "spreading the word," we have launched a new referral program. *Peak Performance HR* is happy to reward anyone who helps us grow by offering a "referral bonus." This reward can be issued to a business or to an individual.

Referral Bonuses can be issued in the following forms:

- Cheque (to a business or individual)
- Credit on your company's next service invoice
- Gift to your favorite charity

Once your referral becomes a *Peak Performance HR* client, you'll earn cash based on the size of company that you introduced.

**Company Size Referral Bonus
(# of employees)**

5-20 -----	\$250
21-50 -----	\$500
51-100 -----	\$750
101+ -----	\$1000

Thank you for your dedication to *Peak Performance HR!* We look forward to welcoming your referrals into our client base, and providing them with the same high-caliber HR services that you have come to expect from our team.

Sincerely,
