

PROVIDING YOUR BUSINESS with flexible, convenient
and affordable HR solutions.

The Deadline Is Fast Approaching - Have you filed your AODA compliance report?

An important reminder that all organizations (private and not-for-profit) with 20 or more employees, are **required to file their accessibility compliance report by December 31st, 2014.**

You should be taking this deadline seriously.

Even if your organization has not met all the compliance requirements for the Customer Service Standard, it is important that you **file the report.** Otherwise, you may (and likely will) face penalties.

For more information about the AODA regulations and how to file, please visit [AccessON](#)

We also welcome you to contact us for a free initial consultation to discuss AODA compliance further at 416-822-3471.
